PROFESSIONAL EXPERIENCE

09/2024 – 02/2025 : Cloud Application Developer – Internship, Rooman technologies

- Gained strong hands-on expertise in AWS Cloud services (EC2, S3, IAM), building a clear understanding of cloud architecture, deployment, and infrastructure management through real-time implementation.
- Developed and integrated full-stack web applications using Python, Flask, HTML, and databases, gaining practical experience in backend development, RESTful APIs, and cloud deployment.

11/2023 – 12/2023 : Web Development – Internship, Prodevans Technologies

- Selected as Team Lead during my first internship, where I led the development of a web-based e-canteen system using PHP, SQL, HTML, and CSS, successfully coordinating tasks and guiding the project team.
- Gained practical experience in leadership, team management, and real-world project execution, strengthening communication, responsibility, and problem-solving skills in a collaborative development environment.

STUDIES

10/2025:- M.Sc in Applied Data Science and Artificial Intelligence

SRH University, Heidelberg

12/2021 – 06/2025: Bachelor of Engineering in Computer Science and Design

PDA College of Engineering, India

TRAINING/BOOTCAMPS

12/2025: AWS Cloud Foundations

11/2025: Visual Business Analytics, SAS Viya

04/2024: Python, NPTEL

11/2023: SQL Essential Training, LinkedIn Learning

11/2023: HTML Essential Training, LinkedIn Learning

PUBLICATIONS

Voice Classification System Using Gradient Boosting Method, International Journal of Research Trends and Innovation, Volume 10, Issue 5, May 2025.

PROJECTS

- Automated Recruiting System (Machine Learning)
- Voice Classification System (Machine Learning)
- E-canteen - Web Dev
- Customer Churn Prediction – ML
- Credit Card Fraud Detection - ML

SOCIAL ENGAGEMENT

Technical Secretary in the Department of Computer Science – Student Union

PDA College Of Engineering, Gulbarga, India

Python mentor for juniors

Interactive Python basics sessions with an introduction to key programming concepts

Best Student – PDA College Of Engineering

Gulbarga, India

Best Project – Audio Recognition System (Machine Learning Project)

PDA College Of Engineering, Gulbarga, India

LANGUAGE SKILLS

Kannada: native language

English: Business fluent

Hindi: Business fluent

German: novice
